EXTRAS + INFORMATION

GOGGLES + HATS + WATER BOTTLES

It's advised for all swimmers to keep a spare hat and pair of goggles in their bags incase they get broken or lost. Any brand or style of goggles which the swimmer likes and finds comfortable is perfect. Brands such as Arena, speedo, TYR and decathlon are popular choices. Swimmers should now have a Newport swimming club hat to wear for training but spares can be bought if you would like. Everyone should make sure to bring a full water bottle to each session with them as swimming can be very thirsty work!

COSTUMES + JAMMERS

Swimmers can wear any costume or Jammers they like for training as we want swimmers to be comfortable in the water. If your unsure or need any advice please just ask.

Please don't feel like you need to get all of this at once. These are ideas if you would like to purchase but kit can always be borrowed from us as and when they are needed. We recommend the brands shown in the photos but other reliable swimming brands are absolutely fine too!
