GRANTS

If anyone knows of any grants/ & or fundraising opportunities through their employer, please let us know.

Easy fundraising is a really great way for you and your family to raise funds for the club every time you shop on line – at no extra cost to yourself. The club has raised around £250 over a year with just 14 supporters – most of whom are committee members and friends/family thereof. Just imagine how much we could raise if everyone joined. To start fundraising just log on to www.easyfundraising.org.uk. Put Newport and District Swimming Club in the search box and join up. All you need to do then when you shop on line is to go via the easyfundraising page first which will then direct you to your normal website to make your purchase as usual, but the retailer then donates a percentage to the club via **easyfundraising** – easy! Any questions just ask Angela – she was initially sceptical but now impressed!
