## New Club Kit

We are proud to announce that we are ready to release our new Club Kit. We have teamed up with Swimzi and swimmers can go to the website (link below) and place their order direct. The online shop is now open until the 20<sup>th</sup> March. We would like swimmers to have the club shirt & swim cap, but please feel free to wear the old kit during the transition. Any queries please speak with one of the team.

## Newport Pool

My last update from T&W was that the pool reopening may be delayed beyond the end of April. We'll keep you updated with any new information.

## Swim Equipment

Note from the Coaching Team  
Please can all swimmers ensure that they bring a filled water bottle with them to every training session, a water bottle is just as important as your goggles.
